## **CARE AND CLEANING INSTRUCTIONS**

### **Plush Marine/Industrial Grade Carpet with Polyurethane AquaLoc Backing**

**Congratulations on the purchase of your plush marine/industrial grade carpet with polyurethane AquaLoc backing by Welcome Aboard! Your marine/industrial grade carpet is edged with real Sunbrella canvas to provide maximum UV stability and stain resistance.**

**Enjoy your Welcome Aboard! Carpet for years by following these simple care instructions:**

- ✓ **For regular care, vacuum or hose off to prevent soil from becoming embedded and to maintain the carpet color and appearance.**
- ✓ **If the carpet becomes soiled, use a standard carpet cleaner.**
- ✓ **Dry face-up or hang.**
- ✓ **For AquaLoc Mat storage, always roll with the carpet facing out and never fold. Do not roll while wet.**
